

RULES OF THE GAME

***1st Round** – 150 Points – Best of 3(2)

***2nd Round** – 150 Points – 1 game elimination

***3rd Round** – 150 Points – 1 game elimination

***4th Round** – 150 Points – 1 game elimination

***Championship Round**

*Winners of the 4th Round will play for 1st & 2nd place.

*Losers of the 4th Round will play for 3rd place.

- At the end of each round, the winners must inform the coordinator of the results.
- If the “hand” ends with a tie, the loser of the previous game begins the next hand. (also known as “data”)
- By passing / not playing a tile that should have been played, you will not be able to play that tile and will be yours to keep.
- If you pick 5 doubles, you will have the option to play or to get new tiles, along with the other players.
- When a “forro” is played (a tile that does not match the tile on the table) and is noticed during or at the end of the hand – the hand is not recorded.
