## SOUTH FLORIDA PBA & THE LOVE FUND

Since 1963, the **South Florida Police Benevolent Association** has worked closely with community-based citizen organizations to enact positive change in South Florida and establish a good relationship between law enforcement officers and the community. As an aggressive, pro-active union of professionals and past law enforcement officers, it seeks to protect the rights of all members and promote professionalism in law enforcement.

Established in 1984, the **Love Fund** is a charitable 501(c)(3) organization that fills a special need: it aids fallen officers and their families when no other funds are available to do so. Any money collected by the Love Fund helps pay for the funerals of officers killed in the line of duty, education for the children of fallen officers and psychological counseling for officers and immediate family members impacted by the stress of the job. Since its inception, the Love Fund has helped officers through almost any catastrophe that threatens their ability to serve the community, like illness, home damage or post-traumatic stress disorder (PTSD), to name a few.

The Love Fund is funded by both SFLPBA special events and outside contributions. As a federally-recognized charitable organization, all contributions to the Love Fund are entirely tax-deductible.
